There is another connection between Amsterdam Sloterdijk and Meppel but then you would need to transfer 3 times, which is very inconvenient.

The above mentioned schedule connects with the shuttle service we provide between the railway station in Meppel and the hotel. These shuttle buses leave Meppel station at 14.15, 16.15, 18.15 and 20.15 hrs.

The shuttle bus will be waiting in front of the main station building. This is officially an area for taxi's so IF the bus will be sent away it will be waiting in the area to the left (when you walk out of the main building) This is an area for buses. Meppel station is rather small and on Sunday's not very busy so you probably can't miss it. The bus will have a sign "ERIS2013 to hotel" in the window.

If you arrive much earlier than 14.15 hrs. or after 20.15 hrs. please contact us as soon as possible so we can discuss other means of transportation (eris2013@astron.nl).
