

# ASTRON

10 June 2016

The connecting strength of Big Science Projects

# NiKhef

## ***Big Science at ASTRON & Nikhef***

- fascinating science***
- outreach and education***
- technological innovation & spin-off***
- industry liasons***

Ideasquare  
Knowledge Transfer

## **IN IDEAQSQUARE, HEAVEN IS ONLY 10 STEPS AWAY**

1. Be curious, be ambitious. Dream
2. Contribute. Collaborate
3. Talk to the ones you have not met before
4. Share your surprise of discovering the unexpected. Share your story
5. Cut the red tape by using scissors, card board, duct tape ... and produce a prototype
6. In the workshop areas, however, cutting your fingers is not the way to cut red tape. Ask for help before you need it
7. Take full advantage of the Hugging Corner
8. Don't worry about making a mess here. The only way you create a mess is by leaving it behind unattended
9. Be prepared to explain what on Earth you are doing
10. It's always better check the electrical wiring before you
