

LOFAR Status Meeting :: 03 Mar 2010

Notes form the Meeting

Dear Colleagues,

There is not too much to report so that we decided to cancel this week's LOFAR status meeting.

BUT as you probably all know, we are making a film about the building of LOFAR. For this film, we also would like to take some shots of meetings and discussions that formed LOFAR. The LOFAR status meeting is certainly one of them. Therefore, we will film the LOFAR status meeting on March 17. So be prepared, take part and don't be scared! Please let us know if you do not want to be filmed as well.

The next status meeting will take place Wednesday, March 10.
