

■ **Proposal constraints**

- *Must address a concrete commissioning objective*
- *Must define clear deliverables and deliver them*
- *Should be consistent with TAG commissioning priorities*
- *May also have a parallel scientific objective*
- *Must follow reporting requirements*
- *Must follow publication policies*

■ **Review and Submission process**

- *Submission of proposals through NorthStar*
- *Member of TAG assigned as technical reviewer*
- *Technical review discussed at next TAG meeting*
- *Final TAG recommendation sent to LCCG for approval*
- *LCCG can provide discretionary time where appropriate*
- *Formal progress reports will be tracked by Observatory*
